Maintenance

1. We inform, that coloring of fabrics can imperceptibly run away from samples placed in categories.
2. Test results were received by various samples and therefore presenting average indicative values.
3. Supplier does not take any responsibility for any damage caused by inappropriate use, cleaning or additional water-treating.
4. The effect of piling of fabrics formed during use of furniture is a natural inevitable.
5. The migration of textile dyes with intense colors and dark to bright is natural and inevitable.
6. Mechanical damage is not subject to complaint.
